Highlights

Congratulations to **Wandsworth & Sutton** making it through to the Champions Final.
Merton & Kingston are through to the Plate Final.

Outstanding Team Performances

Today's competition had some very close results with countback being used in 3 cases.

In the Boccia, there was a 3 team tie between Wandsworth, Merton & Sutton, all winning 2 games each. Wandsworth took the gold with the most points scored throughout the games.

In New Age Kurling, Wandsworth & Kingston tied, winning 2 games each; though again Wandsworth scored more points throughout so took the gold.

The closest Polybat Competition I have EVER seen this time with Merton, Sutton & Wandsworth all with 2 wins and all with 5 set victories in their games. The teams were separated by total points scored in their games; the result being Bronze to Sutton with 68 points, Silver to Wandsworth with 73 points & Gold to Merton with 74 points.

Kingston's Athletics Races Team taking silver overall and completely strongly in all their races.

Sutton's Table Cricket Team took the gold medal match scoring 275 runs against Merton to win by a significant 28 runs.

Outstanding Individual Performances

Alex, Sutton, Javelin of 17.90metres comfortable gold medallist. Jimmy, Wandsworth, 8.50metre throw in the Shot Put. An impressive 2.17metre jump by Jason from Sutton. Diane, Sutton, throwing 48 in the Precision Bean Bag.
